

**WINDERMERE HOMEOWNERS ASSOCIATION  
CROSSWINDS NEIGHBORHOOD COMMITTEE  
CANDIDATE BIOGRAPHIES  
BALLOTS DUE NOT LATER THAN MAY 30**

**Sharon Gatlin-Chambers**

29+ years as a Crosswinds homeowner. I have witnessed continuous changes throughout the years within our community. I've seen 3rd & 4th generation homeowners choose our community to raise their families within their life journey. I am a retired executive & entrepreneur that has traveled globally both personally & professionally for many years in my career & personal growth.

Many of you may not know me personally and that's okay you will. My efforts for the community will exhibit my integrity, commitment and drive to have positive representation for all. Notwithstanding, our family has taken pride in our property ownership, assisting in fostering in the beauty of living in this neighborhood. That should be evident as a result of our longevity within this premier community.

My focus as a fiduciary of our community is to assure fair and equitable engagement in keeping our community a diverse and desirable place to call home. I commit to driving positive results that represent the many in our community without bias and only focusing on factual basis.

For years, we have participated in our annual meetings, BOD meetings and voiced our concerns when needed to keep our community in a desirable state. As a neighbor, I'm often quiet. However, when meaningful events arise. I'm a voice of logic, reason and anticipated results.

As property owners, we strive to groom our property in the most pristine condition as possible. We always want to be part of the solution, not the problem. Our focus is to lead by example to assist in value-add to our community.

Leadership has been my life-long professional & personal journey. My passion is making a difference in the lives of many. I do this by listening, hearing, seeing, challenging, and compromising as a problem-solver. I'm a solution based individual, believing there is always a solution to any situation.

I'm asking for your vote to being part of this new chapter within our HOA. My willingness, commitment and dedication will be in the frontline today, tomorrow & beyond.

Thank you for your consideration & trust.

## **Amy Kienitz**

I have lived in Windermere since 2002. I recently retired from my job as an IT Manager at Sallie Mae Bank where I coordinated the work of multiple teams of developers. Since my retirement I have been looking for volunteer opportunities!

It would be an honor to serve the neighborhood of Crosswinds. This is a great place to live and it's important that we keep our community atmosphere while abiding by our covenants. Everyone should have their voice represented and I see that is an important responsibility of this position.

## **Trent Sturgill**

I am a proud Indiana native, born and raised in the greater Indianapolis area, and grateful to call Fishers home. My wife and I have lived in Fishers for the past 15 years, where we've had the privilege of watching the city grow and evolve while still maintaining its strong identity as a safe, family-friendly community.

For nearly six years, we've been proud residents of the Windermere neighborhood. We take great pride in our home and community, and we believe Windermere represents the very best of what Fishers has to offer—an inviting, well-maintained neighborhood where families can thrive.

Professionally, I serve as an Information Security Manager for Community Health Network, an Indiana-based, non-profit healthcare system. In this role, I am responsible for protecting critical systems and data, managing risk, and ensuring accountability—skills that directly translate to thoughtful, responsible HOA leadership and decision-making.

I am seeking to serve on our Homeowners Association Neighborhood Committee to work collaboratively with fellow residents, HOA leadership, and local officials to help preserve and strengthen our community. I am particularly passionate about protecting the long-term integrity of our neighborhood, including addressing concerns around institutional real estate investment and oversaturation. I also believe strongly in responsible stewardship of HOA dues—ensuring that every dollar is used thoughtfully to enhance property values and improve the quality of life for all residents.

Outside of my professional life, I enjoy spending time with my wife and our two daughters. I also regularly volunteer at Traders Point Community Church here in Fishers, where giving back and serving others is an important part of my life.

I would be honored to represent Windermere and contribute to maintaining the strong, connected community we all value.

***Thanks for making Windermere a wonderful place to live!***
