Greetings! While new to Windermere, I have been a Fishers resident for over 26 years. I am a retired public school teacher and served as the Director of Bands and Performing Arts Director for Fishers HS. In our previous neighborhood, I served on the HOA board serving in architectural, finance and operations.

While living in Windermere for the past year and a half, I find extremely value in this amazing quiet and over abundant neighborly community!

I would be humbled and blessed to serve this community in any capacity!

We have lived in Windermere for almost 5 years. I'm a US Marine Veteran who enjoys serving my community. Rumor has it, I have the best lawn in the neighborhood. I look forward to serving my neighbors and preserving the quality of our community.

With an accounting degree and a successful career spanning sales and marketing, I bring a strong combination of financial expertise, communication skills, and practical problem-solving experience to the Windermere HOA Board.

My wife Mary and I have been married for 36 years and are proud parents of two boys. After living in Moorings for 26 years, we moved to Windermere in 2020 and quickly fell in love with our community. I am committed to listening closely to the concerns of residents in our area, effectively conveying those issues to the board, and working collaboratively with neighbors to protect our property values while ensuring Windermere remains a wonderful place to live for years to come.

***Thanks for making Windermere a wonderful place to live!***
