Bart Kimmel

My wife, Shelley and I moved here in 2013. Shelley and I have been married 44 years. We have served on two HOA boards and have served in various volunteer leadership positions throughout our marriage. Our children live in 3 different parts of the country and our children are just starting to have children of their own. I am close to being retired and I believe Shelley will retire in 2 to 5 years. I said yes to this request to serve on our neighborhood committee as long as I can contribute and it can be balanced with our travel plans to see our current 3 grandchildren.

Cathy Lohrman

I'm a 20 year resident of Glenn Abbey Village. I'm a retired Executive Assistant and currently work part time. My adult son and grandson (a junior at FHS) live with me and bring a lot of joy and variety to my days. Proud to be supporting the kiddo for the fourth year of the highly respected and nationally competitive Fishers Tiger Marching Band, as well as all things college prep related this next year.

In my 20 years of living in Glenn Abbey Village, I have seen the decline and then revival of certain areas of our neighborhood numerous times. I moved to Glenn Abbey from a non- HOA community and, unfortunately, watched its very rapid decline. To drive through it today breaks my heart. I'm happy to do what I can to ensure we all have pride of ownership and maintain our property values.

Tammy Roby

I have lived in Glenn Abbey Village since 2015. I am a Respiratory Therapist and retired last summer from IU Health Sleep Apnea Education Center after 38 years of service. My elderly mother lives with me and I have one furry child. I would love the opportunity to serve on our neighborhood committee to be able to help keep this community a great place to live.

Thanks for making Windermere a wonderful place to live!
