

**WINDERMERE HOMEOWNERS ASSOCIATION
WINDERMERE POINTE NEIGHBORHOOD COMMITTEE
CANDIDATE BIOGRAPHIES
BALLOTS DUE NOT LATER THAN MAY 30**

Kelly Ford

My family has lived in Windermere Pointe for eleven years and we love the neighborhood. On June 1, 2026, I am retiring after twenty plus years in the live music industry, with Live Nation Entertainment. Retiring will provide me with time to focus my attention on things that matter most in our lives, which, in addition to animal advocacy and gardening, are our home and our property values. I am a huge fan of HOA's, and it is one of the reasons we moved to Windermere.

My interest in serving on our Windermere Pointe Neighborhood Committee is to ensure our neighbors' voices and concerns are being properly represented, and to help our HOA streamline the voting process in our nine neighborhoods, making changes and updates to our covenants/bylaws an easier, smoother, and less daunting process. I am excited about these committees. I think working together in individual neighborhood groups will allow each of us to have a voice in determining the direction of our larger community. In doing so, we will not only protect and increase our property values, but we will continue to make Windermere Pointe a premier neighborhood, in which we are proud to live. Thank you.

Robert Rising

Since my family and I made Windermere Pointe our home three and a half years ago, I've been deeply invested in building a supportive community. Immediately, I reached out to our HOA and offered my assistance and support wherever it may be needed.

For over a year and a half, I was in charge of Windermere's Events Committee. In this role, I had the privilege of creating memorable experiences that brought our community closer. We successfully hosted a Movie Night, an Easter Egg Hunt, as well as several contests for the kids in our community.

Beyond Windermere, my commitment to giving back extends throughout the year by supporting and providing donations to local schools and dedicated teachers, contributing to children's hospitals, and supporting local food pantries.

If entrusted with the opportunity to represent Windermere Pointe, my primary commitment will be to serve as an advocate for every resident. I pledge to listen to your concerns and ensure your voices are clearly heard by our HOA.

I envision a collaborative partnership with our HOA, focusing on initiatives that will preserve and enhance our community. This means working to safeguard and

appreciate our property values, ensuring Windermere remains a highly desirable place to live and continues to proudly be one of best communities in Fishers.

Jeff Wilberg

My wife and I have lived in Windermere for 30 years, with 23 of those being in Windermere Pointe. We raised our children here and have remained here after retirement because it is such a great place to live. Since retiring I have been able to volunteer for Meals on Wheels, the American Cancer Society, and Indiana Sports Corp.

My goal is for Windermere to remain a desirable community for future generations by maintaining high standards in order to protect property values while continuing to maintain a sense of community for our residents.

I welcome the opportunity to work with the residents of our community and hope you will trust me to fairly represent Windermere Pointe by electing me to our neighborhood committee.

Abby Winters

Married 22+ years, involved mother of two busy sons ages 17 and 15, full-time employed remotely with a background in Corporate Finance and Project Management. I have lived in Windermere since 2017 and Fishers since 2008. Other board experience includes Indy Premier Soccer Club since 2019, and currently serve as VP. I am interested in serving our neighborhood in providing a balanced, thoughtful, and “what’s truly important?” perspective, with a focus of maintaining property values. Personally, I am most focused on property conditions and maintenance above anything else, while giving our neighbors a certain level of grace. Also, I’d love to hear neighbor input prior to any votes too, as your community representative. Thanks for the consideration.

Thanks for making Windermere a wonderful place to live!
