

**WINDERMERE HOMEOWNERS ASSOCIATION
WOODLANDS NEIGHBORHOOD COMMITTEE
CANDIDATE BIOGRAPHIES
BALLOTS DUE NOT LATER THAN MAY 30**

Jake Barna

My family and I have been residents in the Windermere Neighborhood for the past 8 years & we plan to stay here for 20 more! I'm volunteering to serve on our neighborhood committee to help establish the covenant changes that are needed and assist my fellow neighbors in protecting our property values.

Rick Brickley

My wife, Kim, and I have lived here for 11 years. We've loved being a part of the community. We own an IT business, focusing on small to medium business and have for over 20 years. Our business does everything from firewall management, computer and server sales and implementation, security and monitoring, network wiring, etc... We are a "One Stop Shop" when it comes to IT needs. At our previous home, we were co-presidents of the HOA. I am offering to serve to try to bring a common sense approach to everyone's needs in our neighborhood. I hopefully will help make the covenants more fluid and easier to make changes when needed. I, of course, want to make sure our property value and everyone else's here in Windermere increases and everyone can live and enjoy our wonderful neighborhood.

Steven Maves

I have proudly called Windermere Woodlands home since 1994. Over the past 30+ years, I've had the opportunity to watch this neighborhood grow from its earliest homes into the vibrant community it is today.

I have raised my six sons here, all of whom have been part of the Hamilton County school system. This neighborhood has been an important part of our family's life, and I take great pride in maintaining my home, landscaping, and contributing to the overall appearance of our community.

Professionally, I am a physician and U.S. Air Force veteran. I also oversee the financial and investment holdings associated with a medical facility, which has given me extensive experience in budgeting, long-term planning, and responsible property and asset management.

I am interested in serving on the Woodlands Neighborhood Committee because I would like to better understand the work that goes on behind the scenes and contribute in a meaningful way. I believe in maintaining the quality and integrity of our neighborhood while also ensuring that decisions are thoughtful, balanced, and considerate of homeowners' perspectives. I also believe it's important to carefully consider all perspectives when addressing topics that impact homeowners and property values.

I care deeply about this neighborhood and the people who live here, and I would truly appreciate the opportunity to serve.

Liz Moyer

My husband, John, and I have proudly called the Woodlands home since 2009. We've raised our two teenage daughters here, and this community has been an important part of their lives. You'll often see us walking our two dogs through the neighborhood and connecting with neighbors along the way.

Professionally, I work as an IT Business Analyst at Allegion, where I focus on collaboration, problem-solving, and driving continuous improvement—skills I would bring to the neighborhood committee.

The Woodlands has been a wonderful place to build our family and form lasting friendships. I would be honored to serve as a representative on the neighborhood committee. I'm committed to preserving the strong sense of community we value while supporting thoughtful improvements that help our neighborhood continue to grow and thrive. I look forward to listening to residents, representing their perspectives, and contributing to the continued success of the Windermere community.

Meg Shanley

I have lived in Windermere for 15 years ; in Fishers for 25 years. I have served on the HOA Board twice and the ARC for a lengthy period of time in the past. I would like to serve Woodlands as I know that the Board cannot be the eyes and ears of all 1100 homes in Windermere. I believe serving on my neighborhood committee will enable me to represent my neighbors in our interests, which are protecting property values and preserving Windermere as one of Fishers' best neighborhoods.

Thanks for making Windermere a wonderful place to live!
