

**WINDERMERE HOMEOWNERS ASSOCIATION  
WOODS EDGE NEIGHBORHOOD COMMITTEE  
CANDIDATE BIOGRAPHIES  
BALLOTS DUE NOT LATER THAN MAY 30**

**Mark Groff**

My wife, Sally, and I moved to Windermere in November 2002, where we raised our two children and built deep roots in this community. We spent many years attending the Progressive Dinner parties in order to meet many of the wonderful neighbors living in our community. Over the years, Windermere has meant more than just a place to live—it has been a place where our family has grown, served, and stayed connected.

I have been a real estate investor since 2000 and a licensed REALTOR since 2011, giving me a strong understanding of property values, neighborhood dynamics, and the importance of maintaining a well-managed and desirable community. Our family has also been actively involved at a grassroots level.

Our son, Justin, started Just-IN-Time Lawn Care here in Windermere, growing it into a \$1.5 million business with the support of neighbors. Our daughter spent her teenage years babysitting and pet sitting for many families in the neighborhood.

I have previously served on the Water & Drainage Ad Hoc Committee and helped start the Social Committee, which led to our first community block party. I also created the Windermere Fishers Chat and Windermere Fishers Marketplace Facebook pages to give residents a place to share resources, discuss community matters, and stay connected.

Over the years, I have had many conversations with neighbors regarding concerns, conflicts, and ideas for improvement. I have often worked behind the scenes with HOA leadership to help resolve issues in a practical and respectful way.

I am interested in serving on the Woods Edge Neighborhood Committee because I care about the long-term health of our community. I bring a combination of real estate experience, community involvement, and a willingness to listen, collaborate, and help find solutions that serve the neighborhood well.

My wife Brenda and I moved from Gurnee, IL and have been a proud homeowner in Woods Edge for eight years. We enjoy our neighborhood and neighbors and want to ensure it remains a great place to live and all homes maintain their property value.

I'm an experienced accounting and financial professional with over 35 years of experience. I retired from the Brunswick Corporation in April, 2018. I was the CFO of the

Freshwater Boat Group for 13 years. I understand the importance of responsible financial management and I'm committed to ensuring transparency and funds are used effectively to benefits all residents. I believe in clear communication between the HOA and homeowners, so that all opinions are heard. I would be honored to serve on the committee and represent Woods Edge.

### **Jeremy Stewart**

My family and I have been Windermere residents for the past 11 years. As an architect with my own practice right here in Fishers, I have a professional passion for thoughtful planning and community improvement.

My past civic leadership has been extensive. I am a past president of the Butler-Tarkington Neighborhood Association, served on the Indianapolis City Market Corporation Board of Directors, and was a founding member of the Midtown Economic Council. In these roles, we were always striving to find consensus, work with the legislature and improve our community. Here in Windermere, I have previously been involved with our events committee and served as an at-large, non-voting board member.

My objective is to ensure equitable, transparent engagement between the board and all neighbors. I am committed to maintaining conformance with our community's bylaws and covenants, ensuring they are being followed fairly and effectively by both the residents and the HOA.

***Thanks for making Windermere a wonderful place to live!***
